Butrous G. Conference 2015. Young Scientists Journal. 2015 Jul 3 [last modified: 2016 Feb 6]. Edition 1.

## **Abstract**

**Young Scientists Journal – the world’s peer review science journal written and edited exclusively by 12-20 year olds – held its second annual conference on 14 October 2015 at The King’s School, Canterbury. Around 250 students from more than 20 schools attended, with some even flying in from Ireland and Scotland.**

## **Introduction**

## **Literature Review**

## **Method**

## **Results**

## **Analysis**

## **Conclusions**
